Dear Providers,

We would like to remind you of our billing and coding guidelines for Allergy Testing. When billing CPT code **95004** it requires the number of tests which were performed and the billing provider to have a specialty of allergy/immunology, dermatology, ENT, and Hospital. Therefore, these services should be billed only by providers in these specialties.

We appreciate the excellent care you provide to our members. If you have any questions please feel free to contact us via e-mail: FLMedicaidProviderRelations@Aetna.com. You can also fax us at 1-844-235-1340 or call us through our Provider Relations telephone line: 1-844-528-5815.

Thank you,
