Dx Gap Advisor Training

Wednesday, November 30, 2022, 11:00 a.m. EST

- Introducing Dx Gap Advisor™ - Capture diagnosis codes to accurately capture a member's chronic conditions and deliver complete and accurate claims the first time.
- This Microsoft Teams training session is for providers and billing and coding team members supporting the provider office workflow.
- The Dx Gap Advisor program launches December 14th, 2022.
- As the healthcare industry faces unprecedented change, Aetna Better Health is focused on helping its members receive the specific care they need at the time they need it. It is also focused on helping providers ensure that the care they provide to the plan's members is completely, accurately, and efficiently reported and submitted within the provider's existing submission workflow.
