

Dear IlliniCare Health Provider Network,

This is to inform you of a revision to our Payment Policy; "Physician's Office Lab Testing" which outlines approved lab services performed in an office setting. The new policy will now allow rendering of Rapid HIV testing in an outpatient setting. The effective date of the revised policy is 12/15/2019 – policy can be found on our provider portal; <https://www.illinicare.com/content/dam/centene/policies/payment-policies/CC.PP.019.pdf>.

We anticipate that this change will improve access to HIV testing for our members, furthering our mission of transforming the health of the community, one person at a time. Please contact your Provider Relations representative with any questions.

Sincerely,
IlliniCare Health
