

AETNA

KS VACCINE

TAPE: AETNA_2021_05_VACCINE-SOCIAL-1_CAPTIONED (1)

Diannette Figueroa:	[00:00:02]	Getting the vaccine can be a difficult decision. It's wrapped in history, personal uncertainty, family influences, even politics.
Jim Smallridge:	[00:00:11]	But the Coronavirus vaccines were tested in adults and children.
Dr. Lakshmi Emory:	[00:00:14]	There were strict clinical trials, including people of various races, ethnicities, and ages.
Stacia Ortega:	[00:00:20]	And they are trusted and supported by doctors, nurses, pharmacists, parents, and everyday Americans across the country.
Dr. Lakshmi Emory:	[00:00:29]	It's time to get vaccinated.
	[00:00:36]	[End of tape]
