Clinical Payment, Coding and Policy Changes

We regularly augment our clinical, payment and coding policy positions as part of our ongoing policy review processes. To keep our providers informed, please see the below communication of upcoming new policies.

Effective for dates of service beginning April 1, 2021:

Revenue Code 0636

Based on the Official UB-04 Data Specifications Manual and the Uniform Billing Editor (UBE), certain revenue codes require an appropriate HCPCS code to be billed on the same line.

Revenue Code 0636 (Drugs requiring detailed coding) is one of these codes.

If Revenue Code 0636 is present and the HCPCS code does not match, the claim line will deny.
