

Asthma Control Program: Self-Enrollment Form

Well-Ahead Louisiana's Asthma Control Program supports individuals by offering self-management education, environmental assessments, medication support, and coordination with health care providers to reduce asthma-related hospital visits and improve quality of life and outcomes for patients and their families. Complete the Self-Enrollment form by scanning the QR code with your smartphone camera.

This program serves eligible residents of Louisiana who have been diagnosed with asthma. Participation is voluntary and consists of no-cost services to the participant.

For more information, visit www.wellaheadla.com, email wellahead@la.gov, or call 1-844-522-4323.
