Provider Network Management Quality Review Tool	<u>Met</u>	Not Met
<u>Elements</u>		
Outpatient Agency Requirements		
Provider must be an LMHP which includes the following individuals who are		
licensed to practice independently: Medical psychologists ;Licensed		
psychologists;Licensed clinical social workers (LCSWs);Licensed professional		
counselors (LPCs);Licensed marriage and family therapists (LMFTs);Licensed		
addiction counselors (LACs); and Advanced practice registered nurses		
(APRNs).		
Agency must be Licensed per La. R.S. 40:2151 et seq.(Louisiana Behavioral		
Health Service Providers Licensening Standards).		
Agency must arrange for prior to employment (or contracting, volunteering,		
or as required by law) individuals pass criminal background checks, including		
sexual offender registry checks, in accordance with any applicable federal or		
state laws.		
Agency must maintain documentation that prior to employment (or		
contracting, volunteering, or as required by law) individuals pass criminal		
background checks, including sexual offender registry checks, in accordance		
with any applicable federal or state laws.		
Criminal background checks are performed no more than 30 days prior to		
the date of employment		
Arrange for and maintain documentation that all persons, prior to		
employment, are free from tuberculosis (TB) in a communicable state via		
skin testing (or chest exam if recommended by physician) to reduce the risk		
of such infections in members and staff.		
TB testing was completed less than 31 days prior to date of employment		
Establish and maintain written policies and procedures inclusive of drug		
testing staff to ensure an alcohol and/or drug-free workplace and/or a		
workforce free of substance use		
Agency must review the Department of Health and Human Services' Office		
of Inspector General (OIG) List of Excluded Individuals and Entities (LEIE)		
prior to hiring or contracting any employee or contractor that performs		
services that are compensated with Medicaid/Medicare funds, including but		
not limited to licensed and unlicensed staff, interns and/or contractors.		
Agency must review the LDH State Adverse Actions website prior to hiring		
or contracting any employee or contractor that performs services that are		
compensated with edicaid/Medicare funds, including but not limited to		
licensed and unlicensed staff, interns and/or contractors.		

Agency must, for current employees, check the Department of Health and Human Services' Office of Inspector General (OIG) List of Excluded Individuals and Entities (LEIE) list once a month thereafter to determine if they have been excluded from participation in the Medicaid or Medicare Program by Louisiana Medicaid or the Department of Health and Human Services' Office of Inspector General. Agency must, for current employees, check the LDH State Adverse Actions list once a month thereafter to determine if there is a finding that an employee or contractor has abused, neglected or extorted any individual or if they have been excluded from participation in the Medicaid or Medicare Program by Louisiana Medicaid or the Department of Health and Human Services' Office of Inspector General. Maintain documentation that all direct care staff, who are required to complete first aid training, complete the training within 90 days of hire; Psychiatrists, advanced practical registered nurses (APRNs)/physician assistants (PAs), registered nurses (RNs) and licensed practical nurses (LPNs) are exempt from this training. Maintain documentation that all direct care staff, who are required to renew first aid training, complete the training within the time period recommended by the American Heart Association; Psychiatrists, advanced practical registered nurses (APRNs)/physician assistants (PAs), registered nurses (RNs) and licensed practical nurses (LPNs) are exempt from this training. Maintain documentation that all direct care staff, who are required to complete cardiopulmonary resuscitation (CPR) training, complete the training within 90 days of hire; Psychiatrists, advanced practical registered nurses (LPNs) are exempt from this training. Maintain documentation that all direct care staff, who are required to renew CPR training, complete the training within the time period recommended by the American Heart Association; Psychiatrists, advanced practical registered nurses (LPNs), registered nurses (APRNs)/physician assistants (
