

2024 CAHPS Survey & HEDIS Report

**Aetna Better Health of
Michigan**

July 2025

Overview

- CAHPS, Consumer Assessment of Healthcare Providers and Systems, is a survey that ask patients to report on their experiences with a range of healthcare services at multiple levels of the delivery system.
- The CAHPS Health Plan Survey produce the following measures of patient experience:
 - Getting needed care.
 - Getting care quickly.
 - How well doctors communicate.
 - Health plan customer service.
 - How people rated their health plan.
- Annually, CSS surveys a random sample of Adult Medicaid members and Parents of Children Medicaid enrolled (Child CAHPS survey) on Aetna's behalf
