Prior Authorization Requirement Effective January 1, 2026

Dear Provider,

Effective January 1, 2026, Aetna Better Health of Michigan will require prior authorization for the procedure codes listed below. This change is part of our ongoing commitment to ensuring appropriate utilization of services and maintaining the highest standards of care for our members.

What This Means for You

- Beginning January 1, 2026, claims submitted for the specified codes without prior authorization will not be reimbursed.
- Providers are responsible for obtaining prior authorization before rendering services associated with these codes.
- Failure to secure prior authorization may result in claim denials.

Impacted Codes

Group Description	Code	Code Description
PATH & LAB - CHEMISTRY	0037U	TRGT GEN SEQ DNA 324 GENES
