# **AETNA BETTER HEALTH® OF MICHIGAN**

TO: Providers  
FROM: Provider Experience Team  
DATE: October 23, 2023  
SUBJECT: Provider Notification for 23 Lab NCDs

### **PROVIDER NOTIFICATION**

#### *MI MEDICAID Lab NCDs and PRECERTIFICATION OPTIMIZATION*

Dear Valued Provider:

Effective 12/15/2023 Lab-based National Coverage Determinations (NCD) will be implemented for MI Medicaid. See the list of NCDs below. This means that we will no longer require prior authorization for the set of codes listed below that are included in each NCD. This is part of a larger optimization initiative intended to improve operational efficiency and reduce unnecessary provider administration activity.

As always, do not hesitate to contact your Aetna Better Health Medicaid Provider Relations Representative with any questions or comments.

Thank you for your valued partnership in caring for our Aetna Better Health Medicaid Members.

If you have any questions about prior auth or NCD's, please contact Provider Relations

By Phone: 1-866-316-3784

Sincerely,
