PROVIDER NOTIFICATION

MI MEDICAID Lab NCDs and PRECERTIFICATION OPTIMIZATION

Dear Valued Provider:

Effective 12/15/2023 Lab-based National Coverage Determinations (NCD) will be implemented for MI Medicaid. See the list of NCDs below. This means that we will no longer require prior authorization for the set of codes listed below that are included in each NCD. This is part of a larger optimization initiative intended to improve operational efficiency and reduce unnecessary provider administration activity.

As always, do not hesitate to contact your Aetna Better Health of MI Provider Relations Representative with any questions or comments.

Thank you for your valued partnership in caring for our Aetna Better Health of MI Members.

If you have any questions about prior auth or NCD's, please contact Provider Relations
