Section 1.5 Changes to Part D Prescription Drug Coverage

Changes to Our Drug List

Our list of covered drugs is called a Formulary or “Drug List.” A copy of our List of Covered Drugs

(Formulary) is provided electronically.

We made changes to our Drug List, including changes to the drugs we cover and changes to the restrictions that apply to our coverage for certain drugs. **Review the Drug List to make sure your drugs will be covered next year and to see if there will be any restrictions.**

Most of the changes in the Drug List are new for the beginning of each year. However, during the year, we might make other changes that are allowed by Medicare rules. For instance, we can immediately remove drugs considered unsafe by the FDA or withdrawn from the market by a product manufacturer. We update our online Drug List to provide the most up to date list of drugs.

If you are affected by a change in drug coverage at the beginning of the year or during the year, please review Chapter 8 of your *Evidence of Coverage* and talk to your doctor to find out your options, such as asking for a temporary supply, applying for an exception and/or working to find a new drug. You can also contact Member Services for more information.

SECTION 2 Deciding Which Plan to Choose

Section 2.1 If you want to stay in Aetna Assure Premier Plus (HMO D-SNP)

To stay in our plan, you don't need to do anything. If you do not sign up for a different plan or change to Original Medicare by December 7, you will automatically be enrolled in our Aetna Assure Premier Plus (HMO D-SNP).

Section 2.2 If you want to change plans

We hope to keep you as a member next year but if you want to change plans for 2023 follow these steps:

Step 1: Learn about and compare your choices

- You can join a different Medicare health plan,
- -- OR -- You can change to Original Medicare. If you change to Original Medicare, you will need to decide whether to join a Medicare drug plan.

To learn more about Original Medicare and the different types of Medicare plans, use the Medicare Plan Finder (www.medicare.gov/plan-compare), read the *Medicare & You 2023* handbook, call your State Health Insurance Assistance Program (see Section 4), or call Medicare (see Section 5.2).

Step 2: Change your coverage

- To **change to a different Medicare health plan**, enroll in the new plan. You will automatically be disenrolled from Aetna Assure Premier Plus (HMO D-SNP).
- To **change to Original Medicare with a prescription drug plan**, enroll in the new drug plan. You will automatically be disenrolled from Aetna Assure Premier Plus (HMO D-SNP).
- To **change to Original Medicare without a prescription drug plan**, you must either:
 - Send us a written request to disenroll. Contact Member Services if you need more information on how to do so (phone numbers are in Section 5.1 of this booklet).
 - -- or -- Contact **Medicare**, at 1-800-MEDICARE (1-800-633-4227), 24 hours a day, 7 days a week, and ask to be disenrolled. TTY users should call 1-877-486-2048.

If you switch to Original Medicare and do **not** enroll in a separate Medicare prescription drug plan, Medicare may enroll you in a drug plan unless you have opted out of automatic enrollment.

SECTION 3 Changing Plans

If you want to change to a different plan or to Original Medicare for next year, you can do it from **October 15 until December 7**. The change will take effect on January 1, 2023.

Are there other times of the year to make a change?

In certain situations, changes are also allowed at other times of the year. Examples include people with Medicaid, those who get “Extra Help” paying for their drugs, those who have or are leaving employer coverage, and those who move out of the service area.

If you enrolled in a Medicare Advantage Plan for January 1, 2023, and don’t like your plan choice, you can switch to another Medicare health plan (either with or without Medicare prescription drug coverage) or switch to Original Medicare (either with or without Medicare prescription drug coverage) between January 1 and March 31, 2023.

If you recently moved into, currently live in, or just moved out of an institution (like a skilled nursing facility or long-term care hospital), you can change your Medicare coverage **at any time**. You can change to any other Medicare health plan (either with or without Medicare prescription drug coverage) or switch to Original Medicare (either with or without a separate Medicare prescription drug plan) at any time.

SECTION 4 Programs That Offer Free Counseling about Medicare and Medicaid

The State Health Insurance Assistance Program (SHIP) is an independent government program with trained counselors in every state. In New Jersey, the SHIP is called the State Health Insurance Assistance Program (SHIP).

It is a state program that gets money from the Federal government to give **free** local health insurance counseling to people with Medicare. SHIP counselors can help you with your Medicare questions or problems. They can help you understand your Medicare plan choices and answer questions about switching plans. You can call SHIP at 1-800-792-8820. You can learn more about SHIP by visiting their website (www.state.nj.us/humanservices/doas/services/ship).

For questions about your NJ FamilyCare (Medicaid) benefits, contact the Division of Medical Assistance and Health Services toll-free at 1-800-701-0710 (TTY: 711). Ask how joining another plan or returning to Original Medicare affects how you get your NJ FamilyCare (Medicaid) coverage.

How we guard your privacy

What personal information is — and what it isn't

By “personal information,” we mean information that can be used to identify you. It can include financial and health information. It doesn't include what the public can easily see. For example, anyone can look at what your plan covers.

How we get information about you

We get information about you from many sources, including you. We also get information from your employer, other insurers, or health care providers like doctors.

When information is wrong

Do you think there's something wrong or missing in your personal information? You can ask us to change it. The law says we must do this in a timely way. If we disagree with your change, you can file an appeal. Information on how to file an appeal is on our member website. Or you can call the toll-free number on your ID card.

How we use this information

When the law allows us, we use your personal information both inside and outside our company. The law says we don't need to get your OK when we do. We may use it for your health care or use it to run our plans. We also may use your information when we pay claims or work with other insurers to pay claims. We may use it to make plan decisions, to do audits, or to study the quality of our work. This means we may share your information with doctors, dentists, pharmacies, hospitals or other caregivers. We also may share it with other insurers, vendors, government offices, or third-party administrators. But by law, all these parties must keep your information private.

When we need your permission

There are times when we do need your permission to disclose personal information. This is explained in our Notice of Privacy Practices, which took effect October 10, 2020. This notice clarifies how we use or disclose your Protected Health Information (PHI):

- For workers' compensation purposes
- As required by law
- About people who have died
- For organ donation
- To fulfill our obligations for individual access and HIPAA compliance and enforcement
