## COVID-19 Weekly Healthcare Provider Update Compilation: As of June 4, 2020, 9:00 AM

The information in this compilation is current only as of the above date and time.

**Purpose**: The purpose of this weekly publication is to provide healthcare providers in New York State with a consolidated update of guidance released by the New York State Department of Health (NYSDOH) related to the COVID-19 pandemic response. This will show only current guidance for any given topic and will be updated to reflect new guidance.

As a reminder, all advisories and informational messages (including webinar invitations) are distributed through the Integrated Health Alerting Network System (IHANS), an application housed on the <a href="Health Commerce System">Health Commerce System (HCS)</a>. If you are not receiving IHANS notifications, please work with your site's HCS coordinator. Additional COVID-19 resources may be found on the NYSDOH webpage under <a href="Information for Healthcare Providers">Information for Healthcare Providers</a>.

Recordings of COVID-19 Weekly Healthcare Provider Updates are also available on the NYSDOH webpage.
