B. Frequently Asked Questions (FAQ)

Find answers here to questions you have about this *List of Covered Drugs*. You can read all of the FAQ to learn more, or look for a question and answer.

B1. What prescription drugs are on the *List of Covered Drugs*? (We call the *List of Covered Drugs* the “Drug List” for short.)

The drugs on the List of Covered Drugs that starts on page 1 are the drugs covered by Aetna Better Health of Ohio. These drugs are available at pharmacies within our network. A pharmacy is in our network if we have an agreement with them to work with us and provide you services. We refer to these pharmacies as “network pharmacies.”

- Aetna Better Health of Ohio will cover all medically necessary drugs on the Drug List if:
 - your doctor or other prescriber says you need them to get better or stay healthy, **and**
 - you fill the prescription at an Aetna Better Health of Ohio network pharmacy.
- Aetna Better Health of Ohio may have additional steps to access certain drugs (refer to question B4 below).

You can also refer to the up-to-date list of drugs that we cover on our website at **AetnaBetterHealth.com/Ohio** or call Member Services at **1-855-364-0974 (TTY: 711)**, 24 hours a day, 7 days a week.

B2. Does the Drug List ever change?

Yes, and Aetna Better Health of Ohio must follow Medicare and Medicaid rules when making changes. We may add or remove drugs on the Drug List during the year.

We may also change our rules about drugs. For example, we could:

- Decide to require or not require prior authorization (PA) or approval for a drug. (PA is permission from Aetna Better Health of Ohio before you can get a drug.)
- Add or change the amount of a drug you can get (called quantity limits).
- Add or change step therapy restrictions on a drug. (Step therapy means you must try one drug before we will cover another drug.)

For more information on these drug rules, refer to question B4.

If you are taking a drug that was covered at the **beginning** of the year, we will generally not remove or change coverage of that drug **during the rest of the year** unless:

- a new, cheaper drug comes on the market that works as well as a drug on the Drug List now, **or**
 - we learn that a drug is not safe, **or**
 - a drug is removed from the market.
-

If you have questions, please call Aetna Better Health of Ohio at **1-855-364-0974 (TTY: 711)**, 24 hours a day, 7 days a week. If you need to speak to your care manager, please call **1-855-364-0974 (TTY: 711)**, Monday – Friday, 8 a.m. – 5 p.m. These calls are free. **For more information**, visit **AetnaBetterHealth.com/Ohio**.

Questions B3 and B6 below have more information on what happens when the Drug List changes.

- You can always check Aetna Better Health of Ohio's up to date Drug List online at **AetnaBetterHealth.com/Ohio**.
- You can also call Member Services to check the current Drug List at **1-855-364-0974 (TTY: 711)**, 24 hours a day, 7 days a week.

B3. What happens when there is a change to the Drug List?

Some changes to the Drug List will happen **immediately**. For example:

- **A new generic drug becomes available.** Sometimes, a new generic drug comes on the market that works as well as a brand name drug on the Drug List now. When that happens, we may remove the brand name drug and add the new generic drug, but your cost for the new drug will stay the same. When we add the new generic drug, we may also decide to keep the brand name drug on the list but change its coverage rules or limits.
 - We may not tell you before we make this change, but we will send you information about the specific change we made once it happens.
 - You or your provider can ask for an exception from these changes. We will send you a notice with the steps you can take to ask for an exception. Please refer to question B10 for more information on exceptions.
- **A drug is taken off the market.** If the Food and Drug Administration (FDA) says a drug you are taking is not safe or the drug's manufacturer takes a drug off the market, we will take it off the Drug List. If you are taking the drug, we will let you know that.
- We will send you a letter telling you. Your prescriber will also know about this change, and can work with you to find another drug for your condition.

We may make other changes that affect the drugs you take. We will tell you in advance about these other changes to the Drug List. These changes might happen if:

- The FDA provides new guidance or there are new clinical guidelines about a drug.
- We add a generic drug that is not new to the market **and**
 - Replace a brand name drug currently on the Drug List **or**
 - Change the coverage rules or limits for the brand name drug.

When these changes happen, we will:

- Tell you at least 30 days before we make the change to the Drug List **or**
- Let you know and give you a 30-day supply of the drug after you ask for a refill.

This will give you time to talk to your doctor or other prescriber. They can help you decide:

- If there is a similar drug on the Drug List you can take instead **or**
- Whether to ask for an exception from these changes. To learn more about exceptions, refer to question B10.

If you have questions, please call Aetna Better Health of Ohio at **1-855-364-0974 (TTY: 711)**, 24 hours a day, 7 days a week. If you need to speak to your care manager, please call **1-855-364-0974 (TTY: 711)**, Monday – Friday, 8 a.m. – 5 p.m. These calls are free. **For more information**, visit **AetnaBetterHealth.com/Ohio**.

B4. Are there any restrictions or limits on drug coverage or any required actions to take to get certain drugs?

Yes, some drugs have coverage rules or have limits on the amount you can get. In some cases you or your doctor or other prescriber must do something before you can get the drug. For example:

- **Prior Authorization (PA) or approval:** For some drugs, you or your doctor or other prescriber must get PA from Aetna Better Health of Ohio before you fill your prescription. Aetna Better Health of Ohio may not cover the drug if you do not get approval.
- **Quantity limits:** Sometimes Aetna Better Health of Ohio limits the amount of a drug you can get.
- **Step therapy:** Sometimes Aetna Better Health of Ohio requires you to do step therapy. This means you will have to try drugs in a certain order for your medical condition. You might have to try one drug before we will cover another drug. If your doctor thinks the first drug doesn't work for you, then we will cover the second.
- **Indication-based coverage:** If Aetna Better Health of Ohio covers a drug only for some medical conditions, we clearly identify it on the Drug List along with the specific medical conditions that are covered.

You can find out if your drug has any additional requirements or limits by looking in the tables on pages 1-195. You can also get more information by visiting our website at **AetnaBetterHealth.com/Ohio**. We have posted online documents that explain our PA and step therapy restrictions. You may also ask us to send you a copy.

You can ask for an exception from these limits. This will give you time to talk to your doctor or other prescriber. They can help you decide if there is a similar drug on the Drug List you can take instead or whether to ask for an exception. Please refer to questions B10-B12 for more information about exceptions.

B5. How will I know if the drug I want has limits or if there are required actions to take to get the drug?

The table of drugs on page 1 has a column labeled "Necessary actions, restrictions, or limits on use."

B6. What happens if Aetna Better Health of Ohio changes their rules about some drugs (for example, PA or approval, quantity limits, and/or step therapy restrictions)?

In some cases, we will tell you in advance if we add or change PA, quantity limits, and/or step therapy restrictions on a drug. Refer to question B3 for more information about this advance notice and situations where we may not be able to tell you in advance when our rules about drugs on the Drug List change.

If you have questions, please call Aetna Better Health of Ohio at **1-855-364-0974 (TTY: 711)**, 24 hours a day, 7 days a week. If you need to speak to your care manager, please call **1-855-364-0974 (TTY: 711)**, Monday – Friday, 8 a.m. – 5 p.m. These calls are free. **For more information**, visit **AetnaBetterHealth.com/Ohio**.

B7. How can I find a drug on the Drug List?

There are two ways to find a drug:

- You can search alphabetically by the drug's name, **or**
- You can search by medical condition.

To search **alphabetically**, refer to the Index of Covered Drugs section. You can find it on page 196. The Index provides an alphabetical list of all of the drugs included in this document. Both brand name drugs and generic drugs are listed in the Index. Look in the Index and find your drug. Next to your drug, you will see the page number where you can find coverage information.

To search **by medical condition**, find the section labeled “Drugs Grouped by Medical Condition” on page XI. The drugs in this section are grouped into categories depending on the type of medical conditions they are used to treat. For example, if you have a heart condition, you should look in the category, Cardiovascular. That is where you will find drugs that treat heart conditions.

B8. What if the drug I want to take is not on the Drug List?

If you don't find your drug on the Drug List, call Member Services at **1-855-364-0974 (TTY: 711)**, 24 hours a day, 7 days a week and ask about it. If you learn that Aetna Better Health of Ohio will not cover the drug, you can do one of these things:

- Ask Member Services for a list of drugs like the one you want to take. Then show the list to your doctor or other prescriber. They can prescribe a drug on the Drug List that is like the one you want to take. **Or**
- You can ask the health plan to make an exception to cover your drug. Please refer to questions B10-B12 for more information about exceptions.

B9. What if I am a new Aetna Better Health of Ohio member and can't find my drug on the Drug List or have a problem getting my drug?

We can help. We may cover a temporary 30-day supply of your drug in an outpatient setting and 31-day supply of your drug in a long-term care facility during the first 90 days you are a member of Aetna Better Health of Ohio. This will give you time to talk to your doctor or other prescriber. They can help you decide if there is a similar drug on the Drug List you can take instead or whether to ask for an exception.

If your prescription is written for fewer days, we will allow multiple refills to provide up to a maximum of a 30-day supply of medication in an outpatient setting and 31-day supply of medication in a long-term care facility.

We will cover a 30-day supply of your drug in an outpatient setting and 31-day supply of your drug in a long-term care facility if:

If you have questions, please call Aetna Better Health of Ohio at **1-855-364-0974 (TTY: 711)**, 24 hours a day, 7 days a week. If you need to speak to your care manager, please call **1-855-364-0974 (TTY: 711)**, Monday – Friday, 8 a.m. – 5 p.m. These calls are free. **For more information**, visit **AetnaBetterHealth.com/Ohio**.

- you are taking a drug that is not on our Drug List, **or**
- health plan rules do not let you get the amount ordered by your prescriber, **or**
- the drug requires PA by Aetna Better Health of Ohio, **or**
- you are taking a drug that is part of a step therapy restriction.

If you are in a nursing home or other long-term care facility and need a drug that is not on the Drug List or if you cannot easily get the drug you need, we can help. If you have been in the plan for more than 90 days, live in a long-term care facility, and need a supply right away:

- We will cover one 31-day supply of the drug you need (unless you have a prescription for fewer days), whether or not you are a new Aetna Better Health of Ohio member.
- This is in addition to the temporary supply during the first 90 days you are a member of Aetna Better Health of Ohio.

Current members with a change in level of care

- We will cover a one-time temporary 31-day supply if you move from a hospital or a long-term care facility to a home setting and:
 - You need a drug that is not on our drug list, or
 - Your ability to get the drug is limited
- We will cover a one-time temporary 31-day supply (see the note below for exceptions) if you move into or out of a long-term care setting and:
 - You need a drug that is not on our drug list, or
 - Your ability to get the drug is limited

Note: Oral brand name solid dosage forms such as tablets or capsules are limited to 14 day fills with exceptions as required by Medicare Part D rules. To ask for a temporary supply of a drug, call Member Services at **1-855-364-0974 (TTY: 711)**, 24 hours a day, 7 days a week.

During the time when you are getting a temporary supply of a drug, you should talk to your provider to decide what to do when the temporary supply runs out. You can either switch to a different drug covered by the plan or ask the plan to make an exception for you and cover your current drug. For example, you can ask the plan to cover a drug even though it is not on the Drug List. Or you can ask the plan to cover the drug without limits. If your provider says you have a good medical reason for an exception, he or she can help you ask for one.

B10. Can I ask for an exception to cover my drug?

Yes. You can ask Aetna Better Health of Ohio to make an exception to cover a drug that is not on the Drug List.

You can also ask us to change the rules on your drug.

If you have questions, please call Aetna Better Health of Ohio at **1-855-364-0974 (TTY: 711)**, 24 hours a day, 7 days a week. If you need to speak to your care manager, please call **1-855-364-0974 (TTY: 711)**, Monday – Friday, 8 a.m. – 5 p.m. These calls are free.

- For example, Aetna Better Health of Ohio may limit the amount of a drug we will cover. If your drug has a limit, you can ask us to change the limit and cover more.
- Other examples: You can ask us to drop step therapy restrictions or PA requirements.

B11. How can I ask for an exception?

To ask for an exception, call Member Services at **1-855-364-0974 (TTY: 711)**, 24 hours a day, 7 days a week. A Member Services representative will work with you and your provider to help you ask for an exception. You can also read Chapter 9 of the *Member Handbook* to learn more about exceptions.

B12. How long does it take to get an exception?

After we get a statement from your prescriber supporting your request for an exception, we will give you a decision within 72 hours. Your prescriber can provide their supporting statement by calling Member Services at **1-855-364-0974 (TTY: 711)**, 24 hours a day, 7 days a week or faxing it to us at **1-855-365-8108**.

If you or your prescriber think your health may be harmed if you have to wait 72 hours for a decision, you can ask for an expedited exception. This is a faster decision. If your prescriber supports your request, we will give you a decision within 24 hours of getting your prescriber's supporting statement.

B13. What are generic drugs?

Generic drugs are made up of the same active ingredients as brand name drugs. They usually cost less than the brand name drug and usually don't have well-known names. Generic drugs are approved by the Food and Drug Administration (FDA).

Aetna Better Health of Ohio covers both brand name drugs and generic drugs.

B14. What are OTC drugs?

OTC stands for "over-the-counter." Aetna Better Health of Ohio covers some OTC drugs when they are written as prescriptions by your provider.

You can read the Aetna Better Health of Ohio Drug List to find which OTC drugs are covered.

B15. Does Aetna Better Health of Ohio cover non-drug OTC products?

Aetna Better Health of Ohio covers some non-drug OTC products when they are written as prescriptions by your provider.

Examples of non-drug OTC products include alcohol swabs, or insect repellent.

If you have questions, please call Aetna Better Health of Ohio at **1-855-364-0974 (TTY: 711)**, 24 hours a day, 7 days a week. If you need to speak to your care manager, please call **1-855-364-0974 (TTY: 711)**, Monday – Friday, 8 a.m. – 5 p.m. These calls are free. **For more information**, visit **AetnaBetterHealth.com/Ohio**.

You can read the Aetna Better Health of Ohio Drug List to find which non-drug OTC products are covered.

B16. What is my copay?

C. Drugs Grouped by Medical Condition

The drugs in this section are grouped into categories depending on the type of medical conditions they are used to treat. For example, if you have a heart condition, you should look in the category, Cardiovascular. That is where you will find drugs that treat heart conditions.

The following list of covered drugs gives you information about the drugs covered by Aetna Better Health of Ohio. If you have trouble finding your drug in the list, turn to the Index of Covered Drugs that begins on page 196. The index alphabetically lists all drugs covered by Aetna Better Health of Ohio.

The first column of the chart lists the name of the drug. Brand name drugs are capitalized (e.g., XARELTO, and generic drugs are listed in lower-case italics (e.g., *amoxicillin*).

The information in the necessary actions, restrictions, or limits on use column tells you if Aetna Better Health of Ohio has any rules for covering your drug.

Here are the meanings of the codes used in the “Necessary actions, restrictions, or limits on use” column:		
* = Non-Part D drugs or OTC items that are covered by Medicaid		
PA = Prior Authorization	QL = Quantity Limits	ST = Step Therapy
NM = Not available at Mail-order	B/D = Covered under Medicare B or D	LA = Limited Access
NDS = Non-Extended Days Supply		

Note: The asterisk (*) next to a drug means the drug is not a “Part D drug.” The amount you pay when you fill a prescription for this drug does not count towards your total drug costs (that is, the amount you pay does not help you qualify for catastrophic coverage).

- In addition, if you are getting Extra Help to pay for your prescriptions, you will not get any Extra Help to pay for these drugs. For more information on Extra Help, please refer to the call-out box below.

Extra Help is a Medicare program that helps people with limited incomes and resources reduce Medicare Part D prescription drug costs, such as premiums, deductibles, and copays. Extra Help is also called the “Low-Income Subsidy,” or “LIS.”

If you have questions, please call Aetna Better Health of Ohio at **1-855-364-0974 (TTY: 711)**, 24 hours a day, 7 days a week. If you need to speak to your care manager, please call **1-855-364-0974 (TTY: 711)**, Monday – Friday, 8 a.m. – 5 p.m. These calls are free. **For more information**, visit **AetnaBetterHealth.com/Ohio**.

- These drugs also have different rules for appeals. An appeal is a formal way of asking us to review a coverage decision and to change it if you think we made a mistake. For example, we might decide that a drug that you want is not covered or is no longer covered by Medicare or Medicaid.
- If you or your doctor disagrees with our decision, you can appeal. To ask for instructions on how to appeal, call Member Services at **1-855-364-0974 (TTY: 711)**, 24 hours a day, 7 days a week. You can also read the Chapter 9 of the Member Handbook to learn how to appeal a decision.

If you have questions, please call Aetna Better Health of Ohio at **1-855-364-0974 (TTY: 711)**, 24 hours a day, 7 days a week.
