

Aetna Better Health Kids believes in keeping our valued members healthy

Together, we can help you enjoy better days, however you define better. Together, with your doctor, our community health workers, and Member Services, we strive to provide personalized health care.

Questions?

If you have any questions about which services are covered or if they have limits, just call Member Services. You can reach us at **1-800-822-2447** (TTY: 711).

Aetna complies with applicable federal civil rights laws and does not discriminate on the basis of race, color, national origin, age, disability, creed, religious affiliation, ancestry, sex gender, gender identity or expression, or sexual orientation.

Attention: If you speak a language other than English, language assistance services, free of charge, are available to you. Call **1-800-385-4104** (TTY: 711).

Atención: Si usted habla español, los servicios de ayuda de idioma, sin ningún costo, están disponibles para usted. Llamar al **1-800-385-4104** (TTY: 711).

Внимание: Если Вы говорите на русском языке, Вам предлагаются бесплатные переводческие услуги. Позвоните по номеру **1-800-385-4104** (TTY: 711).

Member Services

Our knowledgeable, caring and friendly Member Services representatives are here for you 24/7. They can help you find a doctor and even help you make an appointment for your child. Call **1-800-822-2447** (TTY: **711**) for help and get answers to your health care questions.

Special Needs Unit

We have a dedicated unit to assist with the unique health care needs of members with a serious medical condition, physical disability or a behavioral health condition. A case manager will be assigned to help you. Call **1-855-346-9828** (TTY: **711**), for details.

Nurse line

As a valued member, you can talk with a nurse 24/7 to get answers to questions about your child's health care. Call **1-800-822-2447** (TTY: **711**), and follow the prompts.

Preventive care

Keeping your child healthy is our priority. Check out the preventive care listed in the chart to learn which preventive health care services are covered.
