## AETNA BETTER HEALTH® OF PENNSYLVANIA AETNA BETTER HEALTH® KIDS

### INTENSITY-MODULATED RADIATION THERAPY PLANNING SERVICES CODE EDITS

Dear Aetna Better Health Provider,

Effective April 15, 2019, CPT Code 77301 INTENSITY-MODULATED RADIATION THERAPY PLANNING SERVICES should not be billed separately when a complex simulation is performed as a part of the member's overall IMRT treatment planning. CPT 77301 should not be billed separately even if performed on the same day of service.

The codes below will **be denied if billed within 14 days** before or after code 77301 is billed:

Code	
77280	Therapeutic radiology simulation-aided field setting; simple
77285	Therapeutic radiology simulation-aided field setting; intermediate
77290	Therapeutic radiology simulation-aided field setting; complex
77301	Intensity modulated radiotherapy plan, including dose-volume histograms for target and critical structure partial tolerance specifications

If you have any questions, you can contact our Provider Relations Department by calling 1-866-638-1232.

Thank you,  
Aetna Better Health of Pennsylvania
