

SMOKING • VAPING • ALL TOBACCO

Quit on your terms.

Pivot first, quit when you're ready.

Pivot works even for those not ready to quit.

PIVOT |  **aetna**[®]

Pivot makes the journey easier

Personalized and non-judgmental, Pivot offers a choice of tools and support.

- Pivot App
- SmartSensor*
- Free supply of Nicotine Replacement Therapy (NRT)*
- Unlimited access to personal coaching
- Online community

*NRT and the Pivot Sensor are only available to those who smoke cigarettes.

Pivot's SmartSensor*

The only quit smoking program with an FDA-cleared device to help you quit. For the first time, you can measure daily improvements and see the impact of changes you make in real-time. Simply skip a cigarette, or delay your next one, and watch your carbon monoxide levels drop.

Clinically proven to:

- ↑ motivation to quit
- ↓ cigarettes per day

Get Started Today!

Pivot is available at **no cost** to Aetna Better Health[®] of Louisiana members ages 18+ as part of their plan. Minors, ages 13-17 are also eligible with some program modifications and with parent/guardian consent.
