HELPFUL TIPS

VERIFY and ENSURE all information on the following websites is complete and accurate BEFORE submitting a credentialing application:

- NPPES
- CAQH
- PROMISe ID numbers and service locations for provider and group

Once the above verification is completed, submit a credentialing application. Be sure to complete all fields to avoid processing delays.

Provider Updates

Make sure your contact information is current with us. If you want to make changes to your information, all you need to do is complete the [Online Practitioner Information Change Form](#).

Or you may print and complete the [Paper Practitioner Information Change Form](#) and submit it to us using one of the following methods:

- Email to: ABHProviderRelationsMailbox@aetna.com
- Fax: 1-860-754-5435

You can fill out one form per provider in your practice. You can make changes to your:

- ✓ Name
- ✓ Physical and mailing addresses
- ✓ TIN
- ✓ NPI
- ✓ Social security number

*To add additional service locations to a provider already affiliated with your group & TIN, please complete the online Practitioner Information Change Form. Another option is to submit a letter on company letterhead indicating the new address along with all pertinent information, including MA ID service location codes for group and provider. Please submit it to ABHProviderRelationsMailbox@aetna.com.

Joining the Network and Credentialing New Providers

The following steps should be completed if your practice is not contracted with ABHPA. (If your practice is already contracted with ABHPA, it is only necessary to complete STEP 2).

STEP 1: Sign a Contract. The first step is to execute a contract between your group and Aetna Better Health of PA (ABHPA). This process is managed by a Network Manager in our Network Contracting department.

- Complete the [Online Out of Network Request to Join Form](#).
- Or you may print and complete the [Paper Out of Network Request to Join Form](#) and submit to us using one of the following methods:
 - Email to PA MedicaidNetworkDevelopment@AETNA.com
 - Fax to 1-877-533-5887

Your request will be reviewed, and you will be informed of a decision within 60 days. To confirm your contract status, email PA MedicaidNetworkDevelopment@AETNA.com.

Joining the Network and Credentialing New Providers

STEP 2: Submit Practitioners to be Credentialed. Once your contract is fully executed, you must submit all practitioners for credentialing. If you did not submit your practitioners to ABH during the contracting process, you should now submit a credentialing application for each practitioner. If you have 10 or more providers, you can submit them to us on a bulk applications provider enrollment template. The following status notifications will be emailed to the administrative contact indicated on the practitioner application or bulk applications provider enrollment template:

- Once a clean credentialing application is received, an acknowledgment email notification will be sent within 10 days.
- If a credentialing application is incomplete an email notification will be sent within 10 days.

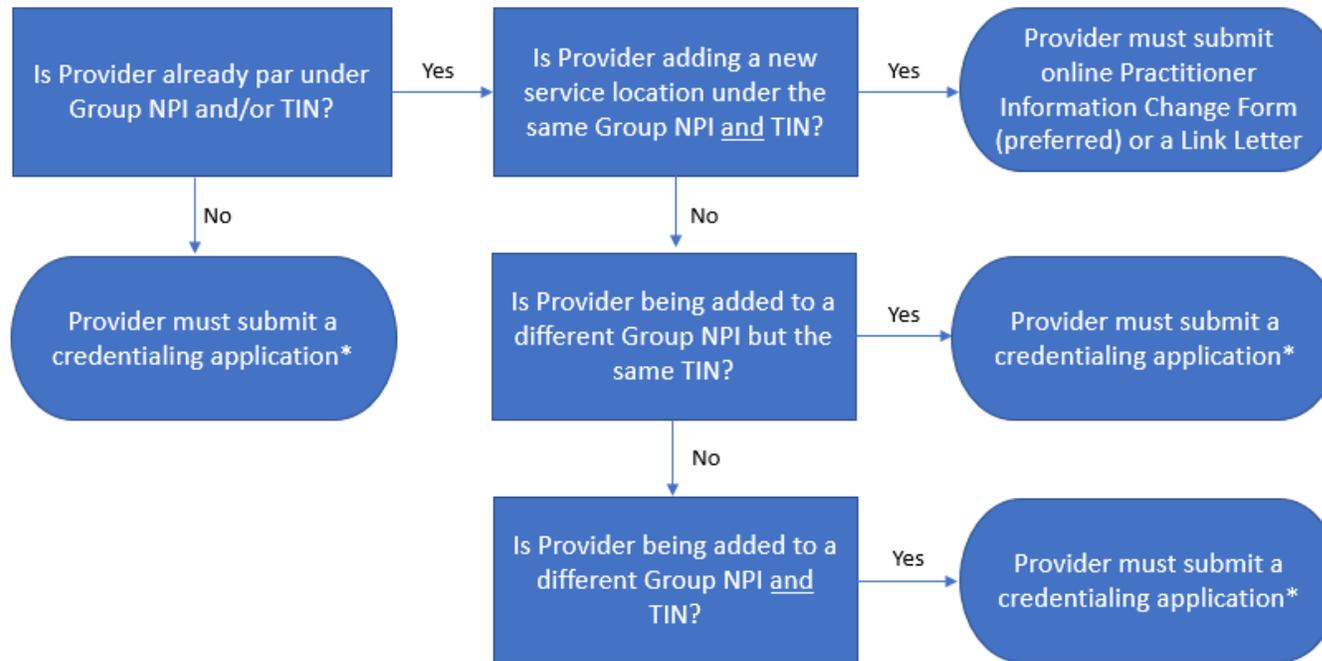

TIP: Once you resolve any issues referenced in the incomplete email notification, please send an email to the following mailbox to advise us that the issue was resolved. Be sure to include the individual practitioner NPI and Group Name.

MedicaidProviderRelations@AETNA.com

- If a credentialing application is still undergoing the credentialing process 30 days after receipt of a clean credentialing application, a 30-day in process notification will be sent.
- You will be notified of your credentialing status within 60 days of receipt of the clean credentialing application.
- Once acceptance/welcome letters are received for each provider, they may begin to treat patients as participating.

Adding Providers to an Existing Contracted (Par) Group

Please follow the chart below based on your scenario, because a full application may not be necessary, and a Practitioner Information Change Form or Link Letter may be sufficient.

* If more than 10 providers, email the [Bulk Applications Provider Enrollment Template](#) to MedicaidProviderRelations@AETNA.com

Provider Appeal Form

Post Services Appeals

Disputes of the denial of services that have been previously rendered. The provider may file a formal appeal to dispute any of the following:

- Denied days for an inpatient stay, including medical necessity service rendered without an authorization/pre-certification
- Claims denied for no prior authorization that have been upheld upon reconsideration. (Example: after submission of proof of prior authorization, claims that remain denied after Aetna Better Health's reconsideration.)
- Services denied per finding of a review organization.

The provider must initiate an appeal challenging Aetna Better Health's action in writing by fax or mail to the Aetna Better Health® Appeals Department. Provider appeals must be filed within 60 days from the date of notification of claim denial unless otherwise specified with the provider contract.

Mail to: Aetna Better Health® of Pennsylvania or **Fax: 1-860-754-1757**
