

Aetna Better Health® of Virginia

Network Closure Notice

Dear Provider:

Please review this notice before submitting an online provider application.

Thank you for your interest in joining the Aetna Better Health of Virginia Medicaid provider network. We regularly evaluate our provider network to ensure it continues to meet the needs of our members and maintains adequate access to care. Based on our most recent network assessment, we are currently not accepting new provider applications for the specialties listed below in the identified geographic areas.

Statewide Closure

- Applied Behavioral Analysis (ABA)
- Community Crisis Stabilization
- Mobile Crisis Response

Northern, Central and Tidewater Closed Regions

- Intensive In-Home
- Mental Health Skill Building
- Psychosocial Rehabilitation Services
- Therapeutic Day Treatment for Children
