Flu shot time!

The single best way to prevent seasonal flu is to get vaccinated each year, but good health habits like covering your cough and washing your hands often can help stop the spread of germs and prevent respiratory illnesses like the flu. Antiviral drugs can also be used to treat and prevent the flu.

Practice these good health habits to help you stay healthy:

1. Avoid close contact with people who are sick.
2. Stay home when you are sick.

3. Cover your mouth and nose when you cough or sneeze.
4. Wash your hands often.
5. Avoid touching your eyes, nose or mouth.

Also make sure to get plenty of sleep, manage your stress, drink fluids and eat nutritious foods.

Sharing information is important

Have you told your primary care provider (PCP) that you see a behavioral health doctor? It is important to let your PCP know about other doctors who help you with your health. Aetna Better Health of West Virginia wants you to stay healthy and avoid problems. For example, if your PCP doesn't know about a drug that your behavioral health doctor prescribes, this could lead to problems with other drugs you take.

If you need help talking with your PCP about your behavioral health care, please contact our Care Management department at **1-888-348-2922 (TTY: 711)**.

Struggling with drugs or alcohol?

Aetna Better Health of West Virginia wants to work with you. We have a Care Management team who can help you. Our staff of nurses, social workers and peer support specialists can assist with finding resources to help you get better. The Case Manager can help you with the tools to request help and get treatment. Our staff will work with your doctor to make sure you get the care you need. We can also speak with your caregiver or support person if you want us to.

The goal of the Case Manager is to support your health and wellness. Our Case Manager will help you learn ways to live a healthy life.

This program is voluntary, so you can join or leave at any time.

📞 Don't let drug abuse define you. Call **1-888-348-2922 (TTY: 711)** and ask for a Case Manager to help you!

Share your ideas — call Member Services to find out how to join our Member Advisory Committee.

Join the Cub Club

Make staying healthy fun for your child. Sign up for Ted E. Bear, M.D.'s Cub Club! Children under 13 can join the club and earn prizes by doing healthy activities. Healthy activities include getting a dental checkup, well-child visits and getting shots.

Have your benefits ended but you still need continued treatment?
Call **1-888-348-2922 (TTY: 711)** so we can help you get your needed care.

If you see something, say something

Fraud is a crime. It means getting money by tricking or fooling someone else. It is stealing.

Waste means not using something wisely. If two medications do the same thing, using the more expensive medicine would be waste.

Abuse means not using something properly. This could be ordering a test even though it is not needed.

West Virginia has a limited amount of money to spend on health care. When someone commits fraud, they are stealing. This means there

is less money to treat other people in West Virginia. If you think something does not seem right, it is OK to report it.

If you suspect fraud, waste or abuse by an Aetna Better Health member or provider, please report it.

Aetna Better Health has devoted fraud, waste and abuse investigators. There are three ways to reach these investigators:

- 1. Member Services phone line:** The Member Services team is trained to address your concerns. Call **1-888-348-2922 (TTY: 711)**.
- 2. Aetna Better Health hotline:** Call **1-844-405-2016 (TTY: 711)**. This toll-free line instructs the caller to leave as much information as possible regarding the fraud, waste or abuse concern.
- 3. Aetna Better Health website:** Visit **AetnaBetterHealth.com/WestVirginia**, scroll to the bottom and click on "Fraud, Waste and Abuse."

Do you have other health insurance, including Medicare? Please contact Aetna Better Health at **1-888-348-2922 (TTY: 711)** and your local DHHR to update or change this information.

Don't let stigma get in your way!

Stigma about mental health leads to false beliefs. It stops people from getting the help they need. Mental health illnesses are like physical health illnesses. With treatment, people feel better and recover. For assistance, please contact the Care Management department at **1-888-348-2922 (TTY: 711)**.

24-hour Nurse Line

Do you have a medical question and don't know what to do? Call our 24-hour Nurse Line. Our nurses can help answer specific health questions. You can also get advice on what to do when you need health care. The toll-free number for the Nurse Line is **1-855-200-5975 (TTY: 711)**. You can also find the Nurse Line number on the back of your Aetna Better Health ID card.

Family planning is important

Family planning helps you plan the size of your family. It also helps you plan the time between your children. It gives you information on the use of birth control.

Family planning is covered for members of childbearing age. Family planning services may include:

- Medical history
- Physical exam
- Medical tests
- Lab tests
- Birth control medication*
- Medical supplies for birth control*
- Education and counseling

You do **not** need a referral. You can see any participating or nonparticipating family planning services practitioner.

If you need help finding a family planning practitioner, call us at **1-888-348-2922 (TTY: 711)**.

**Pharmacy benefit covered by Fee-for-Service by BMS.*

Need an advance health care directive?

You have the right to accept or refuse any medical care. A time may come when you are too sick to talk to your PCP, family or friends. You may not be able to tell anyone what type of health care you want.

The law allows adults to do two things before this happens:

- Leave written directions about your medical treatment decisions
- Name someone you trust to decide what type of treatments you receive

This is called an advance directive. For more information on advance directives, see your Member Handbook. Your doctor can help you make an advance directive.

You can also learn more about advance directives and download forms online at **WVEndofLife.org**.

Need help with transportation?

Go to **ABHWV.FindHelp.com** and click on TRANSIT to see transportation services in your area.

Members with Medicaid may be eligible for Non-Emergency Medical Transportation (NEMT) services to medical appointments. Call the Modivcare reservation line at **1-844-549-8353**. It is important to call five business days ahead of your appointment to schedule your ride.

Need care after hours?

You can call your PCP's office 24 hours a day, 7 days a week for instructions on how to get the care you need. If you have an emergency, call **911** or go to the nearest hospital.

If you get a bill or statement

You should not get a bill from or have to pay a network provider for covered benefits or preauthorized services. If you get a bill, you should call the health care provider listed on the bill and make sure they have all of your insurance information.

You may get a letter from us that says your service was denied for payment. This doesn't mean that you owe money. Most of the time, you will not owe anything.

If you have questions, call Member Services at **1-888-348-2922 (TTY: 711)**.

HotShots: Get rewarded for getting your child's shots on time

The HotShots program is for members up to 2 years of age. It's simple. Make sure your child is up to date on all their shots starting at their 2-month checkup through their second birthday.

Go to our website: **AetnaBetterHealth.com/WestVirginia**.

Click on "Health and Wellness" and then on "Rewards You Can Earn." Scroll down to HotShots and print your child's HotShots form.

- Take the HotShots form to each visit with your child's provider.
- Complete all shots on the form by your child's second birthday.
- Have your child's provider sign and date the form once all shots are complete. Then, mail the completed form to the address provided. Full instructions are on the form.

Get rewarded

Once your child has completed their shots, they'll get a certificate and a special reward.

Check out the same webpage to find many other ways to earn gift cards and other rewards while keeping you and your family healthy.

 Older children need shots too! Your child needs certain shots before their 13th birthday. Teens and adults also need shots. Call the doctor to be sure everyone in your household is up to date on their shots.
