## 2024 Provider Workshops – Medicaid

Aetna Better Health of WV will be hosting provider workshops across the State of West Virginia during the month of July on the below dates.

Multiple departments within Aetna Better Health of WV will be in attendance including Provider Relations, Utilization Management, Care Management, Community Outreach and Social Determinants of Health and Community Partnerships. During the workshop, each area will present topics that will assist providers in verifying benefits, obtaining authorization, billing claims and filing requests for claim reconsideration and appeals. We will also provide information on how to best serve our members with SDOH, Trauma Informed Care and Adoption Competency needs.

Social Work and Addiction CEUs have been approved for attendance of this workshop. (2.75 hours)

Breakfast will be provided.
